Subject: [Update] Three Agency Coordination - Anaconda

A number of us in BLM (all) have unavoidable conflicts tomorrow and are unavailable for the call; therefore, I propose to cancel the call for tomorrow; however, if NDEP and EPA desire to coordinate without BLM on the call, that is fine. If so, please provide a brief synopsis or status of the issues discussed to maintain continuity of the calls going forward. We will pick back up on the call next Thursday, April 13th; however, I will only have the first 1/2 hour available for me due to another meeting at 1:30 pm.
